

Notice of Third-Party Vendor Incident

On June 26, 2026, Aesto, LLC (“Aesto”) notified Catalyst Physician Group that it had experienced a security incident involving a limited portion of Aesto’s Amazon Web Services (“AWS”) infrastructure. Aesto provided healthcare data migration and archiving services for Catalyst Physician Group. Aesto reported that it immediately took steps to contain the incident and commenced an investigation with support from cybersecurity professionals. Aesto’s investigation determined that an unauthorized actor may have accessed or acquired data stored on Aesto’s network between December 2, 2025 through December 18, 2025, including Catalyst Physician Group patients’ information.

For more information regarding this incident, please visit Aesto’s website notice here: <https://www.aestohealth.com/notice-of-data-security-incident-12-18-25/> or to speak with a Catalyst Physician Group representative call 1-866-200-0884 Monday through Friday from 9am – 9pm ET, excluding holidays.
